

CLEANSE AND RENEW

PURIFYING BODY CLEANSER

PREPARES THE BODY FOR EXFOLIATING, NOURISHING AND MOISTURIZING TREATMENTS

The Purifying Body Cleanser is a gentle and detoxifying cleanser for all skin types that prepares the body for exfoliating, nourishing, and moisturizing treatments. It also helps to remove any residue remaining after such treatments. The outstanding cleansing and softening qualities allow to use this product as an excellent conditioning hair and scalp shampoo. Use by applying onto moistened skin (or hair), working up lather, then rinse with warm water. It is recommended to use our body scrub prior to cleansing. Follow with body milk, oil, or nourishing cream for maximum hydration. Product # S-101

ENZYME HYDRATING BODY SCRUB

PROVIDES GENTLE EXFOLIATION WITH NATURAL JOJOBA BEADS AND FRUIT ENZYMES

The Enzyme Hydrating Body Scrub is a seaweed scrub designed to provide gentle exfoliation with natural jojoba beads and fruit enzymes. This seaweed scrub benefits the skin in three phases. First, the scrub's seaweed extract remineralizes the skin. Next, the fruit enzymes help to exfoliate the skin. Finally, while massaging the Hydrating Body Scrub onto the skin, the natural jojoba beads slowly melt and release their nourishing jojoba oil. This tri-action gentle body exfoliation helps to create an incredible softness and radiance. Apply to the body in a thin layer, leave on for 2-3 minutes, and remove by massaging away with warm water. It is recommended, to follow with our Purifying Body Cleanser and then a Body Nourishing cream, oil, or milk. Product # S-104
