Silky Cleanser is a light foaming cleanser. It lifts away dirt, make up, and other impurities without stripping the essential lipids the skin needs to stay healthy and hydrated. Helps to keep the skin clear and smooth textured thanks to a potent blend of French sea waters, botanical extracts, gentle seaweed and sugar based exfoliants. Silky cleanser is a perfect start to prepare the skin for the refining treatment, by improving the penetration of the active ingredients contained in subsequently applied skin care products. Directions: Use twice daily, massage a small amount onto the face with moistened hands. Gently lather, then rinse. Follow with toner and moisturizer. #R-114
