

AZULEN CLEANSING MILK

Azulen Milk is recommended as a make-up removing lotion and a gentle soapless cleanser for all skin types and especially for sensitive skin. It contains specially blended oils which dissolve heavy waxes contained in most make-up bases. Azulene helps to prevent the formation of inflammation and skin allergies because of its soothing properties.

Professional in salon use: A gentle non foaming cleansing milk that dissolves impurities, excess oil, and make-up on contact. Could be used with or without water. Rinses off easily. Could be followed by Aloe Cucumber Astringent or Ginseng Astringent for additional mild cleansing and pollutant removal. Then Enzyme Peeling Cream or an appropriate facial Scrub for exfoliation and Volcanic Mud (3-5 minutes) to detoxify the skin. A second mask can be used for moisturizing and soothing (Azulen Mask or Collagen Cream Mask).

Key ingredient functions and product benefits: Dimethicone, Glycerin, Camellia Oil, Avocado Oil, And Wheat Germ Oil protect and maintain your skin from moisture loss, while gently removing make-up and impurities. Amino Acids, Azulene, Aloe Vera and Allantoin help to calm inflammation and refine pores. Gently removes makeup and impurities without stripping the skin of its natural oils. Helps to improve skin's suppleness and elasticity. Light and creamy consistency. Light blue color comes from Azulene.

Directions: Use on damp cotton to wipe off make-up and cleanse the entire face. Remove excess with dry cotton. This product is not intended for removing make-up from eyelids and around the eye area.
