

ACTIVE CHARCOAL DEEP PORE CLEANSER & MASK

This effective blend of activated charcoal and a mild, sulfate-free, cleanser deep cleans the skin to help absorb toxins and balance the pH. Removes dirt, oil, makeup residue, and contaminants from the pores. Lightly foams and rinses clean, without over drying the skin. Amino acids, enzymes, herbal extracts, and pure essential oils provide excellent skin conditioning and moisturizing properties. Contains natural clays for additional oil absorbing and detoxifying properties.

Directions: Recommended for normal, normal-to-oily, oily, blemish prone, and combination skin types. Not recommended for very dry skin. To use as a facial cleanser, gently massage a small amount onto wet skin building a light lather. Rinse well with tepid water. Follow with an appropriate toner and moisturizer. For Normal, normal to oily, oily and blemished skin types, can be used once or twice daily as needed. For combination skin types, can be used as a deep pore detox mask treatment once to twice a week. For a deep pore mask treatment, apply a small amount onto dry skin and let remain on the face for 5 to 10 minutes. Rinse well with tepid water. Item # 121
