This highly concentrated anti-aging, moisture binding and skin repairing gel cream to serum makes skin feel soft, light, hydrated and velvety. Absorbs quickly and leaves a smooth, non-greasy finish. When used prior to makeup, helps to achieve an even application. Contains hyaluronic acid micro-spheres to help re-plump and “fill in” wrinkles, resulting in smoother skin appearance. Multi-Peptides and organic herbal extracts help to promote a radiant youthful complexion. Pure ginseng extract provides anti-fatigue properties. Formulated with a light, refreshing natural scent.
