

CALMING SERUM

Professional Strength Concentrated Treatment
Delivers Instant Comfort To Irritated Skin

Anti-Redness

Soothing

Calming

Oat Active

Aloe Vera

Allantoin

Contains nature inspired ingredients with anti-irritant, anti-itch, anti-oxidant and anti-histaminic properties. Improves skin barrier repair and barrier maintenance. Significantly reduces stinging and burning. Helps to calm and soothe the skin after non-invasive cosmetic procedures. May offer relief to people suffering from rosacea-prone skin.
